SLATBOX & STORBOX

The Slatbox™ line of products is built sturdy and ideal for displaying & stocking a variety of goods. The one-piece box uses a built-in slat hook to fit existing store fixtures including slatwall and slat-grid. Adapters are available for use with grids and pegboard as well. **Storbox™** products are available in five sizes and ideal for displaying bulk goods in a retail environment. In the stockroom or warehouse the Storbox™ line is perfect for keeping inventory organized. The design of each box includes a ticket slot (3-1/2" x 1-1/2") for easy labeling. Dividers are also available for added economy and flexibility.

Brochure Holders

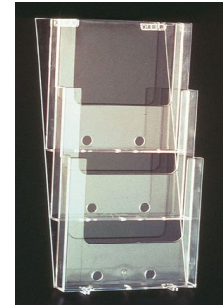

Clear acrylic brochure holders to fit tri-fold brochures up to magazine size. Brochures, business cards, and magazine holders made with high quality, injection molded, clear plastic.

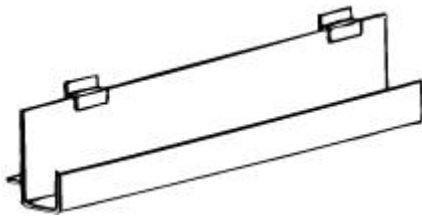

Clear acrylic countertop displays for brochures, pamphlets, and leaflets. FIX-SW/293035

Clear acrylic brochure display that mounts directly onto the wall. Mounting screws not included. Use 293002-SWB1 slatwall/gridwall attaching clips to easily mount this item to slatwall or gridwall. FIX-SW/293015

Three pocket, clear acrylic magazine holder that attaches directly to your wall. A great large brochure holder. Mounting screws not included. FIX-SW/293085

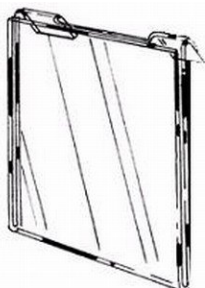

Primarily used to display greeting cards. May also be used for any type of literature, maps, brochures or paperback books. Shelf tilts back at 15 degrees to keep product from falling forward. Pocket 2"D. Available in two sizes, 24"L or 48"L. FIX-SW/292421

Crystal clear, high impact acrylic reduces losses due to damage and is less susceptible to discoloration. Can also be used to display small light to medium weight items such as: Electronics (phones, palm pilots and calculators); Beauty supplies (cosmetics, fragrances, etc.); and General Merchandise (book and music accessories). Acrylic material provides extra clarity. Dimensions 4"D x 10"L

Earring card display will hold 20 standard earring cards on five rows. Dimensions 10"H x 8"W

Our impact resistant sign holders are made of an ultra clear, durable, multi polymer material. Designed to hold 7"H x 11"W signs.
