24"x36" Indoor/Outdoor Double Sided Reader Board Kit
 Heavyweight, black metal frame houses either black or yellow boards. Special markers will not wash off with water making this sign a favorite for outdoors or high humidity shops like florists or greenhouses. Signs erase with glass cleaner and a soft cloth or paper towel. Only use with the Re-Markerable markers. Not for use with washable or white board markers. Each reader board kit includes a metal frame with your choice of black or yellow boards plus four narrow tip fluorescent markers in your favourite colours!
